Counselor in Training/C.I.T.

Ages: Grades 7-10

Our week-long Counselor in Training program helps teens learn how to lead and plan camp activities, implement safety procedures, and understand the benefits of working in a team environment. Teens will develop self-esteem, confidence, and the ability to assume responsibility. This program provides valuable training for a camp counselor position, babysitting, or other "first job" opportunities. Upon completion of the program, students who wish to be considered for a position with the BPD must go through a formal interview process (participants attending the C.I.T. program are not guaranteed a volunteer aide position at one of the district's summer camps). Some students may be asked to help out at half-day camps; therefore, if you need full day care, please register for Teen Camp and Breakaway Camp. For more information, call Kent Hengels at 847-304-5273. (Min/Max: 6/12).
