

Time for Me: Adults

Huntington Learning Center: Planning for Summer Academic Tutoring & Enrichment **NEW!**

Ages: Parents of students in any grade

Give your child the academic skills and support necessary to start the school year ahead of the class! Summer school typically reinforces general academic skills taught throughout the school year. The Huntington Learning Center summer tutoring and enrichment programs focus on specific skills your child needs to be successful in the upcoming year. Don't let your child fall behind over the summer and risk a difficult start to the new school year. This interactive workshop will give you suggestions and approaches to making the most out of your child's academic preparation for the new school year. All attendees receive a voucher for a FREE academic assessment and consultation valued at \$195. (Min/Max: 10/25). Instructor: Tori Getzelman, Center Director of Huntington Learning Center.

Fee: \$13/\$16

Loc: F&RC-Barrington B

Intro & Intermediate Polymer Clay

Ages: Adult (18 years and up)

In the Introductory class, you'll learn basic techniques and tools for working with polymer clay, including conditioning, shaping, curing, sanding, and polishing, and complete one simple project during class. All materials and tools will be provided by instructor for use during this introductory class. (Min/Max: 3/8)

In the Intermediate class, you'll build on your skills and learn how to build a cane, create custom shades of color, and make and use molds, adhesives, powders, inks, stamps, and extruders. A simple cane will be completed. Previous students will bring all clay tools/products acquired since the first class. New students should bring whatever tools and materials they have. Projects in process are welcome. (Min/Max: 3/8). Instructor: Jo Anna Dunn.

Fee: \$60/\$75 (1 day)

Location: Citizens Park-Lodge
