K.E.E.P. PURPOSE

The care of young children is a delicate and sensitive undertaking.

The goal of K.E.E.P. is to provide a safe, recreational based program for children whose parent or guardian cannot be home before or after school. The program is staffed by qualified, caring individuals who strive to develop a warm and constructive relationship with the children. K.E.E.P. provides a creative and stimulating environment in which children can learn, grow, and thrive at their own pace. The K.E.E.P. Program strives to meet the individual needs of each child.

SPECIAL NOTE: *Please remember that parents are responsible for calling their After School Program site phone to notify staff of their child’s absence.*

I understand that in the event that my child is not present on a day they are scheduled to attend program and K.E.E.P. has not received a phone call, an attempt will be made to reach parents and emergency contacts to verify their whereabouts. If a return call is not received within a reasonable time frame Barrington Park District K.E.E.P. may deem it necessary to alert the Barrington Police Department.

I understand that if this call should be made and is a false alarm and there is a charge that I will take full responsibility for any fees charged.

If payment is not received by the reminder due date, your child could be dropped from the program until the account is brought up to date. **Registration for day off and/or mini-camps may be denied to any participant whose account is past due.** *Failure to receive a courtesy late payment reminder will not negate your late fee.*

WITHDRAWAL FROM PROGRAM

To withdraw your child from any program, the K.E.E.P. office must receive written notification from the parent *by the 10th of the month prior to the month of withdrawal* or the parent is liable for the full monthly tuition. **Deposits are forfeit if you withdraw your child from the program prior to the end of the school year.**

LATE PICK-UP CHARGE

The after school program ends at **6:00PM**. A \$25.00 late fee will be charged for **every 15 minutes** (or portion thereof) after 6:00PM. Our cell phones use “real time”. That is the clock we will be using to assess late fees.

You will be required to sign a late pick-up form. Payment for late pick-up must be paid at the time of pick-up to the staff persons on duty. Payment may be made by Visa, Discover, MasterCard, or Check.

**You cannot request that your late fee be billed on your next statement.
If late pick-up becomes habitual, your child will be dismissed from the program.**

PERSONAL BELONGINGS

Personal belongings such as toys, game-boys, trading cards, or sports equipment may not be brought to the K.E.E.P. program. The K.E.E.P. program staff will not be liable for lost or stolen items if your child brings any personal items.

EMERGENCY MEDICAL AND HEALTH POLICY

K.E.E.P. will always try to provide a safe environment for your child, but occasionally, children are hurt or injured. In the event of such an occurrence, K.E.E.P. will follow the procedure outlined below:

- a) Depending on the injury a call may be made to you to inform you of the situation
- a) Medical paramedics will be called to handle any serious injuries. If we are unable to reach either parent your emergency contacts will be notified.
- b) If your child needs medical care, we will accompany them to the nearest facility and you must meet us at the medical facility as soon as possible.

For each child's protection, the following health regulations will be required.

If your child becomes ill while at our program, we will call you to inform you of the situation. However, if your child is running a fever, vomiting or experiencing diarrhea we will request that your child be picked up as soon as possible. Similarly, *if your child has been sick at home*, or at school please make arrangements for their care until they are well. This policy is not only for the protection of your child but extends also to the other children in our care.

MEDICATION: In order for medication to be administered the following must be received:

- a. The "Authorization to Administer Medication" form must be on file at your K.E.E.P. site.
 - b. A written desire that we assist the pupil in taking the medication. The medicine must be delivered to the site coordinator in the **original container** as delivered by the pharmacy to the parent.
- If your child is exposed to a communicable disease, you must notify us immediately so that incubation dates can be verified and the health of all children concerned can be protected.
 - The childcare staff has the authority to refuse any child who shows signs of illness. In such cases, the childcare staff's judgment is final.
 - If your child has any allergies or special needs it **MUST** be noted on the space provided on our registration form.

BEHAVIOR REQUIREMENTS

Discipline is carried out in a way to help your child develop self-control and assume responsibility for their own behavior. Our goal is to guide children in skills designed to help them become competent, contributing, problem-solving members of their world. It is kind and gentle, yet firm. It is based on four overall rules:

- a. A child may not disturb or hurt others, verbally or physically.
- b. A child may not damage school or park district equipment.
- c. A child may not place themselves and / or others in dangerous situations.
- d. A child must respect and follow staff direction.

Staff will encourage self-discipline, allowing the children to solve their own interpersonal conflicts, when appropriate. Staff will assist the children in understanding the other's actions.

Staff will make every effort to assist the child in correcting any unacceptable behavior through re-direction, reminders of expected conduct, time out and parent conference. However, if unacceptable behavior continues, the staff on duty will implement the following policy:

1. Talk to parent or guardian concerning continued behavior problems.
2. Write and present to parents a discipline notice.
3. On the occurrence of a third discipline notice the child would be suspended from the program for a period of three registered program days.
4. If upon return, the child's misbehavior continues and a 4th discipline notice is written, the child will not be allowed to continue attending the program.

DISCIPLINE NOTICE

During the course of the day, the following situation or occurrence took place concerning your child. This notice is a documentation of such situation or occurrence. This documentation will be kept on file in our office. Three such documented situations will result in suspension of your child for three scheduled attendance days, after which your child may return. However, upon the next written notice your child will be dismissed for the remainder of the school year.
