

TODDLER TECH VIRTUAL PRESCHOOL

Ages 3 - 5 (as of 9/1/20)
Mondays, Wednesdays and Fridays

As families process their comfortability with being in a public setting versus their desire to have their preschooler in school here is one more option to weigh in on! This year the Park District will be offering a remote & partially virtual preschool class.

Your little one is getting smarter by the day! The Park District is keenly aware these years are full of crucial cognitive milestones that are preparing them for kindergarten. They are starting to get the hang of numbers, patterns, time and even starting to read. They are expanding critical thinking skills, such as identifying, classifying, comparing, contrasting, sequencing, predicting and problem solving. This program includes readiness in reading (Jolly Phonics Program), literature, writing, science, technology, social science, art and music.

Teachers will put together a week's worth of lessons and activities along with directions for your preschooler to work on throughout the week. These boxes will be available for pickup on Fridays after 3:00pm at the Park District front desk. Every Monday, Wednesday and Friday, following the school calendar, teachers will zoom with their class from 1:00 - 1:45pm. The zoom sessions will vary in topic each class day. Virtual classes start Monday, September 14.

Day	Date	Time	Fee
Mon./Wed./Fri.	9/14/20 - 5/12/21	1:00 - 1:45pm	\$1,520/\$1,776

The fee is payable in three installments:

About Us:

For over 30 years, the Barrington Park District Preschool has been built on the understanding that your child's happiness and growth are very important. We believe children learn best in an environment rich in experiences that focus on language development, academic centers, social/emotional development, artistic expression and fine/gross motor development. Each preschool day has a balanced schedule designed to address all developmental domains important to your child's growth and development. We encourage children to socialize, interact cooperatively and gain independence so they can reach their full potential. We share your desire to provide the best possible start for your child. We follow the Illinois Early Learning Standards and the State of Illinois DCFS guidelines.
