

KEEP Participants Guide COVID-19 Return to Program Matrix

If you have...	Days at Home	Return to Program	Other Requirements
Tested positive regardless of vaccination status or symptoms.	10 days starting the day after positive test or the onset of symptoms.	Day 11 providing symptoms are gone (see symptoms below).	Wear a well-fitting mask.
Been exposed and unvaccinated*.	Quarantine for 7 days. On days 6 or 7 get a dated PCR test (at home tests do not qualify).	If PCR test is negative (at home tests do not qualify) can return on Day 8.	Wear a well-fitting mask.
Been exposed, are vaccinated and asymptomatic (must provide proof of vaccination status).	No quarantine is necessary recommended testing between days 5 – 7.	Immediately.	Wear a well-fitting mask. If symptoms begin or a positive test is received, follow “tested positive” procedure above.

***Unvaccinated kids who are considered in close contact and qualify for test to stay at school ARE NOT able to attend KEEP.**

This matrix is a guide or reference for staff and participants to return to programming/work. However, for final decision regarding individual cases please contact the Supt. of Recreation at jkrause@barringtonparkdistrict.org as all situations are evaluated on a case by case basis. Matrix can change without notice depending on CDC, IDPH, LCHD, PDRMA or Park District guidelines.

Vaccinated: participants are considered fully vaccinated 2 weeks following their final dose (2 shots for Moderna and Pfizer and 1 shot for Johnson & Johnson)

Exposure: close contact is defined as being within 6' of an individual who tested positive for COVID-19 for 15-minutes or more with a 24-hour time period.

Symptoms: cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and/or new loss of taste or smell.
