Participants will be assigned a bus by the Barrington Park District. Participants are not guaranteed to be on a bus with their same grade or school. Bus assignments will not be changed once created. "Friend Requests" will not be accepted. Once buses have met their maximum capacity a waitlist will be started. Payment is required in full for waitlisted spots. A waitlist does not guarantee a space on the bus.

## **EQUIPMENT RENTAL**

There will be an option to purchase ski, snowboard or helmet rentals on trips through the Park District. The Park District is not responsible for any lost or stolen equipment. We recommend labeling all equipment.

## **PARENT CHAPERONES**

It is mandatory that one parent per child chaperones a ski trip. If you do not chaperone, your \$150 chaperone deposit will be charged. Chaperone slots will open on the Barrington Park District Website. Parents must have attended one of the virtual parent meetings to sign up for a chaperone slot. Those that do not wish to chaperone will be charged \$150.00.

### **Ways to fulfill your chaperone commitment**

- **Ski Trip Chaperone**-volunteers needed to help chaperone the bus trip there and back, supervise hills and lodge, assist where needed.
  - **Parking Attendant Duty** – volunteers needed to help with parking lot drop off and pick up on ski trip days. You will be required to register for 3 time slots to equal 1 chaperoned ski trip.
  - **Cash your Check**- You will be charged \$150.00 and you will forfeit chaperoning.
- All chaperones will be required to complete a volunteer application. Volunteer applications can be found under the "forms" tab on the Barrington Park District website. Participants will not be permitted to chaperone unless their volunteer form has been completed and turned into the park district. Volunteer forms are due no later than January 3, 2023. Volunteer applications can be mailed to the Park District, 235 Lions Drive attn.: Jody Dodson, dropped off at the park district front desk, or emailed to [skiclub@barringtonparkdistrict.org](mailto:skiclub@barringtonparkdistrict.org). **Failure to complete the Volunteer Application Form will result in your chaperone check being cashed.**
  - You are responsible for chaperoning on the date you registered for.
  - If you cannot chaperone on the original date you registered for, it is your responsibility to find a substitute, or switch with another chaperone and to report any changes or substitutions to the Chaperone Coordinator. **The chaperone coordinator, and the ski club coordinator will not find substitute chaperones.**
  - The Chaperone Coordinator will send you a *COURTESY* reminder email a week before your scheduled chaperone trip. **All chaperones must respond YES or NO by the Wednesday before the trip by 5pm. If you do not respond your \$150.00 deposit will be charged even if the trip cancels due to inclement weather. NO EXCEPTIONS. Follow-up phone calls will not be made for chaperones who do not respond to the email.**
  - It is your responsibility to contact the Ski Club Coordinator [skiclub@barringtonparkdistrict.org](mailto:skiclub@barringtonparkdistrict.org) by Wed. at 5pm before your schedule date to chaperone if you do not receive an email. **The BMS PTO & BPD are not responsible if you do not receive your Courtesy Email.**

- **The Chaperone Coordinator is not responsible for finding a substitute for you.** Please remember that the Chaperone Coordinator is a BMS-PTO parent volunteer.
- **If a chaperone cancels for any reason after noon on Thursday their check is cashed. (NO EXCEPTIONS!)**
- You will be expected to chaperone the date you registered for regardless of whether or not your child is attending that trip unless you find a sub or switch with another chaperone. It is your responsibility to report this to the Chaperone Coordinator or your check will be cashed.
- Ski Club is successful because of the parent chaperones we have on each trip. When chaperones cancel last minute a very unsafe environment is created for the children and trips may cancel due to low adult: child ratios.
- All chaperones are required to attend a Zoom Meeting the Thursday before their scheduled trip at 7:00pm. Failure to attend the zoom meeting will result in your chaperone check being cashed.
  - An information handout will be emailed following the chaperone meeting.
  - A unique zoom link will be emailed to chaperones Thursday morning by 10:00am. If you do not receive a zoom link, it is your responsibility to email the chaperone coordinator and request the link. **The BMS PTO & BPD are not responsible if you do not receive your zoom link.**

### **DEPOSIT CHECKS**

All participants are required to pay a \$150.00 chaperone deposit to attend Ski Club. A \$150.00 deposit will be due at time of registration. Parents are all required to chaperone at least one trip during the season. Failure to chaperone will result in your \$150.00 chaperone deposit being charged. Failure to adhere to ski club policies will result in your chaperone deposit being charged immediately. Participants will not be permitted to attend a ski club trip without a deposit having been made. Following the ski club season, those who adhered to all procedures will have their deposit voided and destroyed by the Barrington Park District accounting team.

## **BEHAVIOR REQUIREMENTS & DISCIPLINE POLICY: PARTICIPANT/PARENT**

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and through leading by example. Staff will encourage self-discipline, allowing the children to solve their own interpersonal conflicts, when appropriate. Since each participant may have different ways of learning, several methods may be used. However, if unacceptable behavior continues, the staff will implement the following policy:

- **1st Offense:** Verbal warning (depending on the severity, several warnings may be given). Staff will speak to the participant regarding the importance of our expectations and find ways to assist the child in meeting the expectation.
- **2nd Offense:** Participant will be suspended from one trip chosen by the Barrington Park District Ski Club committee. A behavior report will be filled out and filed with the Recreation Manager and the parent/guardian. The parent/guardian will be required to sign the report, which will remain in the participant's file. The staff will work with the participant and parent/guardian to correct the behavior. Upon return from suspension, if behavior continues, the Recreation Manager may dismiss a participant from the program.

**Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the issuance of a Behavior Report.**

## **DISMISSAL POLICY**

It is our goal to help every child be as successful in our program as possible. However, the best interest of all Ski Club participants must be our focus. The Park District reserves the right to dismiss any participant (without previous warning) whose behavior endangers the safety of themselves or others. No exceptions will be made. Participants who are not able to respect and adhere to the physical distancing guidelines will be dismissed from ski club. These measures are to protect the health and safety of all Participants and staff. A participant may be dismissed **IMMEDIATELY** for:

- Spitting, licking, kicking or hitting.
- Eloping. If the child leaves the site, and the staff cannot convince the child to return, the police will be called. The staff are not permitted to leave the site under any circumstances.
- Bringing any type of weapon to program (consistent with Barrington Park District and District 220 rules).
- Violation of the payment policies, late pick-up policy and/or payment due dates.
- Parent/guardian does not follow the Parent Code of Conduct (verbally abusive, flagrantly rude, etc.)
- For any serious offense without previous written notice.

## **PARENTAL INVOLVEMENT**

Cooperation with all policies and procedures is imperative. Emails will be sent weekly in regards to ski trips and important information. All comments, questions and/or concerns should be directed to the Recreation Supervisor at the Barrington Park District. See page 3 for contact information.

## **WEBSITE INFORMATION**

The Ski Club Parent Handbook and program information will be posted on the Ski Club page, [www.barringtonparkdistrict.org](http://www.barringtonparkdistrict.org) found under the "forms" tab.

## **RESPONSIBILITY CODE**

Whether you use skis, snowboard or use other specialized equipment, always show courtesy to others so that your paths do not intersect. The downhill community has developed this code because common sense and personal awareness can reduce the risks inherent to the sport.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting or merging onto a trail, look uphill and yield to others.
5. Always use devices to help prevent run-away equipment. Leashes and metal edges are required on ALL SNOWBOARDS.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas. No one should ski/snowboard beyond their ability to overcome variations in slope trail configuration. Surface and subsurface conditions throughout the day may vary or be altered by weather, skier/snowboard use, or other causes.
7. Do not perform inverted aerials, build jumps, schuss, or ski/snowboard out of control. Schussing means skiing/snowboarding straight down the hill extremely fast and/or recklessly.
8. Do not jump across slopes without first checking for other skiers/snowboarders, snow conditions or other unanticipated problems. DO NOT jump into blind landings areas. Remember when airborne, you are out of control.

### **KNOW THE CODE! IT'S YOUR RESPONSIBILITY**

This is a partial list. Always be safe, conscientious, use caution, and ski in control and only on designated slopes or trails.
