

# Preschool 2026-2027 School Year

## Welcome to BPD Preschool!

Where play, learning and discovery come together.

For over 40 years, BPD Preschool has provided a trusted and nurturing space where children can grow, explore and thrive. We believe that a happy child is a learning child, and our play-based program is thoughtfully designed to support all areas of early development.

Our curriculum focuses on the whole child, with an emphasis on social, emotional, cognitive, physical and language development

Each preschool day follows a balanced schedule that includes free play, group activities, creative exploration and active time. Our experienced and caring teachers encourage curiosity, cooperation and independence, helping children build the confidence and skills they need to reach their full potential.

## Our Facilities

BPD Preschool is located within the beautiful setting of Langendorf Park, giving your child access to a wide variety of enriching spaces and experiences. We offer dedicated preschool classrooms, each tailored to support hands-on learning and play, a large motor room and gym for active indoor play and gross motor development and a fenced-in outdoor playground designed specifically for preschoolers. We have securely locked rooms during school hours for your child's safety and your peace of mind. With the support of our amazing Park District facilities, parks and amenities, there's always something new to discover at BPD Preschool!

## Staff

There are two teachers in each classroom with a maximum of sixteen to twenty children based on the class. Teachers work as a team. Every preschool teacher is professionally qualified and dedicated to the education and development of each child enrolled in the program. Teachers keep current in teaching methods through training and attendance at educational seminars throughout the year.
