It is recommended that you check with your physician prior to participating in Barrington Park District activities. This includes the additional warning for aerobic activities. Aerobic exercise is an activity in which, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a substantial risk of injury. Dependent upon a person's physical condition, age and skill level, aerobics can involve a substantial risk of the following types of injuries. This list is by no means complete, but includes some of the more common ones: heart attack, stroke and circulatory problems, bone and joint injuries, back injury, shin splints, muscle strain and other muscle injuries, foot problems, head and neck injuries. I understand that the Barrington Park District does not provide insurance or protection against injuries sustained by program participants. I HAVE READ AND FULLY UNDERSTAND THE WAIVER, warning of risk, assumption of risk and waiver and release of all claims. I understand my signature, or my guardian's signature if I'm under 18, is required to take part in Park District programs.
