# Waiver and Release of All Claims 2027

**IMPORTANT INFORMATION**

**The Barrington Park District, BMS PTO's are committed to conducting their recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Parties continually strive to reduce such risks and insist that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for the 2027 BMS Ski Club must recognize that there is an inherent risk of injury.**

You are solely responsible for determining if you or your minor child/ward is physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

**WARNING OF RISK**

Skiing and snowboarding are sports intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to head injury, brain damage, spinal cord injury, paralysis, and bone and joint injuries. All hazards and dangers cannot be foreseen. The very nature of skiing and snowboarding is hazardous and risky, including but not limited to inexperience, losing control, snow blindness, overexertion, horseplay, carelessness, falling, collisions with other skiers/boarders and with stationary objects, lack of skill or technique, attempting a run beyond one's abilities, poor or defective equipment, acts of God, inclement weather, icy and dangerous conditions, failure in supervision or instruction, and all other circumstances inherent to the sports of skiing and snowboarding. These risks are particularly enhanced during nighttime skiing/snowboarding where lighting conditions are different and participants may become tired due to both lack of sleep and physical exertion. In this regard, it is impossible for the Parties to guarantee absolute safety.

**WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK**

Please read this form carefully and be aware that in registering for and participating in the BMS Ski Club, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this trip (including injuries and damages sustained during transportation to and from the ski facility).

In consideration of your accepting my child's entry, I recognize and acknowledge that there are certain risks of physical injury to participants in this trip, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I hereby, for myself, my child, my heirs, executors and administrators, agree to waive and relinquish all claims my minor child/ward or I may have (or accrue to me or my child/ward) as a result of participating in the BMS Ski Club against the Barrington Park District, School District 220, and their respective officials, agents, volunteers and employees.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If faxing in this form my facsimile signature shall substitute for and have the same legal effect as an original form signature.
